When is good next week to talk? I'd like to first get the extension on file and then perhaps have a subsequent call to discuss the case schedule. I don't know that I'll be prepared to talk schedule on Monday.

Joe,

I would be happy to but we should talk first as I have not presented an offer of compromise to your client [FindTheBest.com](#) and would like to. What is your schedule next week or later today? Danny Seigle called and I spent 30 min answering his questions.

It may be good that I represent that you are the defendant for [FindTheBest.com](#) and Adicio et al. to Judge Cote as she will want to know the reason for going from July 2 to July 8 Answer date. She may want to you to file an appearance.

In addition, there is a CMP due for this case, when can we get together on that next week too. I would prefer not to push that work into the following week. We need to submit the CMP and pleading notebooks prior to the CMP.

Kind regards,

Damian,

I represent [FindTheBest.com](#) in the litigation filed by Lumen View Technology. Are you agreeable to extending [FindTheBest.com](#)'s deadline to respond to the complaint to July 8th, as you did for the Adicio defendants (as modified by the Court)?

Thank you,
Joe
